INDEX TO VOLUME LIV

(* Indicates new genera, species, names, etc.)

ADAMS, C. F. AND GORDON, W. M. Notes on mosquitoes of Missouri 232

ALEXANDER, C. P. Undescribed species of crane-flies from western United States and Canada. Part I and II 45, 253

BALDUF, W. V. New food records of entomophagous insects 12

BROWN, W L. A new metallic ant from the pine barrens of New Jersey 243

CALVERT, P. P. Obituary: Richard Anthony Muttkowski 175

Obituary: Wesley P. Flint 174

CAMRAS, S. Notes on the North American species of the Zodion obliquefasciatum group 187

CAUSEY, N. B. A correction 264

CHAMBERLIN, R. V. A new cambalid Diplopod 88

A new Polydesmus from Missouri and Oklahoma 15

CLENCH, H. K. Some Lycaenid aberrations 249

CRESSON, E. T., JR. In retrospect 164, 219

Review: Household Pests in Chicagoland 129

Review: General Catalogue of the Hemiptera, Fulgoridae, Araeopidae 265

DALMAT, H. T. Synonymic notes on some species of Cuterebra 182

DARLINGTON, E. P. "Bred" or "reared" and notes on the blueberry fruit fly 217

EMERSON, A. E. AND MILLER, E. M. A key to the termites of Florida 184

FERNALD, H. T. Another sphecine from Florida 135

Note on Podium fulvipes in Florida 251

FISHER, E. G. The identity of Neoempheria flavohirta and Neoempheria digitalis 149

FORBES, W. T. M. What is Thecla liparopa? 115

FRANCLEMONT, J. G., JR. Corrections to "Notes on some Cuculliinae" 99

Notes on some Cuculliinae. III. On the identity of Glaea pastillicans and the species of the genus Chaetaglaea, new genus 92
FREEMAN, H. A. New Hesperiidae, with notes on some others from the United States 72
Notes on and redescriptions of Megathymus yuccae and its subspecies 211
Two new species of Amblyscirtes from Texas and Arkansas 17
FUNKHOUSER, W. D. A new membracid genus from Peru 229
GEIJSKES, D. C. Notes on Odonata of Surinam. III. The genus Coryphaeschna, with descriptions of a new species and of the nymph of C. virens 6
GORDON, W. M. AND PAGE, R. Z. The effects of winds of hurricane velocity on mosquito trapping results at Corpus Christi, Texas 251
GORDON, W. M. (See also Adams and Gordon)
HARRIS, H. M. Notes on some species of Aphelonotus.. 259
HULL, F. M. New species of Baccha and related flies .. 135
New species of Syrphidae of the genera Baccha and Mesogramma 89
Some new American syrphid flies 29
JOHANNSEN, O. A. Adult and immature stages of Cricotopus elegans 77
JONES, J. W. Autumnal migration of Phoebis sennae eubule 133
KNIGHT, H. H. Hyaliodinae, new subfamily of Miridae 119
KNOWLTON, G. F. Three new western Aphids 122
LINSLEY, E. G. New species of Crossidius from western North America 147
LYMAN, F. E. Eye-color changes in mayflies of the genus Stenonema 261
Note regarding authorship of Hexagenia limbata 248
MCCLURE, H. E. Further notes on aero-plankton of Kentucky 5, 37
MILLER, E. M. (See Emerson & Miller)
MONTGOMERY, B. E. Williamsoni fletcheri Williamson New England 1

PAGE, R. Z. (See Gordon & Page)
RAPP, W. F. A new Dorilaidae 118
Some new North American Pipunculidae 222
RAU, P. The neon-sign dance of the water-boatman, Tricocorixa verticalis 258
REHN, J. W. H. Notes on Hubbellia marginifera 191
REMINGTON, P. S. AND C. L. The unusual capture of a melanistic Pieris napi 109
RICHARDS, A. G., JR. Two new species of Lasiestra from Colorado 85
Review: Biology the Science of Life 163
RODECK, H. G. Antennae anomaly in Nomada vicina ... 175
SABROSKY, C. W. A new species of and notes on Acroceridae 176
SATTERTHWAIT, A. F. A new species of Calendra from Oregon 52
SCHMIEDER, R. G. Review: General Zoology 129
Review: Outlines of Entomology 241
SPECTOR, W. Collecting beetles (Trox) with feather bait traps 224
STALLINGS, D. B. AND TURNER, J. R. Strymon falacer ab. heathi 131
STEYSKAL, G. Asterocampa celtis in Michigan 27
A new species of Pholeomyia, with a key to the North America species 99
TURNER, J. R. (See Stallings & Turner)
UVAROV, B. P. War losses of Russian entomology 183
WAGNER, W. H. A new locality for a rare hairstreak 11
WEISS, H. B. The group behavior of 14,000 insects to color 152
WESTFALL, M. J. Enallagma davisi, a new species from Florida 103
WORTH, C. B. Ecologically interrelated insects on a sunflower 156
Ecological studies of Ceratomia catalpae larvae 193

GENERAL SUBJECTS

Aero-plankton collecting by automobile 5, 37
Automobile collecting 5, 57
Behavior of insects to color .. 152
Bred or reared 217
Britton laboratory 4
Color, Group behavior to 152
Current Entomological Literature: 21, 54, 80, 110, 125, 141, 167, 202, 236, 266
Detroit Entomological Society 27
Discarded copies or scientific magazines, A plea for 140
Ecologically interrelated insects 156
Entomophagous insects 12
Feather bait traps 224
Hurricane, Effects on mosquito trapping 251
In retrospect 164, 219
Linnean species and manuscripts 114
Magazines, Discarded 140
Museum of Comparative Zoology, Harvard College, Insect types in 16
New Journal, Revue Canadienne de Biologie 265
North Central Entomologists, Conference of the 130
Reared, Bred or 217
Revue Canadienne de Biologie, A new journal 265
Russian entomology, Losses in 183
Sunflower, Insects on 156
Types in the Museum of Comp. Zoology 16
War losses in entomology ... 183

OBITUARY NOTICES

Flint, W. P. 174
Leussler, R. A. 242
Muttkowski, R. A. 173

PERSONALS

Essig, E O. 248
Herme, W. B. 84
Klots, A. B. 130
Neave, S. A. 84
Williams, J. L. 117
